Dear Examiner Yu:

Per our telephone conversation of earlier today, I attach copies of our status letter and request for filing receipt, which, together with copies of the FWC filing papers, were received by the Patent Office on May 19, 1998 (per the attached return postcard).

Included in the attachments is a copy of our firm's deposit account statement for March 31, 1997 that shows that the extension of time fee of \$410, which was due in the parent case (Serial No. 08/452,227) when the FWC application was filed, was charged to our account. The relevant entry is seven lines from the bottom (Control No. 26002).

Since almost two years have passed since the FWC application was filed and the inventor has yet to hear a first word from the Patent Office, we would appreciate it if you could give this case your personal attention and have the application examined at the earliest possible time. We believe that this case is entitled to expedited handling because the lengthy delay by the Patent Office will in effect shorten the term of the patent.

Thank you for your attention to this matter, and please let me know if there is anything else I can provide you with to help you resolve this problem.

Best regards,

J. Georg Seka

Assistant Commissioner of Patents
Washington, D.C. 20231

Sir:

On February 25, 1997 applicant filed an FWC application to application Serial No. 08/452,227, filed May 26, 1995, together with a request for an extension of time for "two additional months". Copies of the patent application transmittal form and of the accompanying Petition to Extend Time (authorizing

attached copy of page 13 of the Monthly Statement of Deposit Account dated March 31, 1997. The entry has been highlighted and bears Control No. 26002.

Applicant also received a Notice of Abandonment in the above-mentioned parent case dated April 10, 1997 (copy attached).

To date, applicant has neither received a filing receipt, nor the return postcard date-stamped by the Mailroom of the Patent Office. However, the FWC application has been received by the Patent Office because, as evidenced above, the "two additional months" extension of time fee was charged.

In view thereof, applicant requests advice as to the status of this application, when a first Office Action may be expected, and that he be provided with an official filing receipt showing filing of the FWC application on February 25, 1997.

If the Examiner feels for any reason that a personal communication would expedite the prosecution of this application, the Examiner is invited to contact the undersigned at the telephone number below.

Respectfully submitted,
